

## **DEWLAX TEXAS Program Overview (2025–2026 Season)**

### **Graduation Years: 2030 - 2035**

We're excited to continue growing our Dallas presence and providing elite-level lacrosse training to athletes in the region. While we will not be hosting full DEWLAX Texas teams this season, players will still have access to exceptional opportunities through our national network.

This year, DEWLAX Texas will serve as a training hub and talent pipeline for our national and northeast-based teams — offering skill development, positional training, and potential access to travel tournaments and showcases through DEWLAX HQ. Below is an overview of what to expect throughout the year. Please note: all details are subject to change.

### **TEXAS TRYOUT & ID CLINIC – AUGUST 17th, 2025**

This event serves dual purposes:

- **Tryout**
  - Evaluation for DEWLAX National Team invitations and northeast-based travel team spots (with heavy tournament travel)
- **ID Clinic**
  - A chance to train with DEWLAX Texas coaches, experience our coaching style, and be considered for future local training opportunities

Whether you're aiming to compete nationally or grow your game locally, this is the perfect first step. We encourage our athletes to be well rounded individuals with our goal being to meet your daughter where they are at and grow them to the next level.
